

We enable the financing of social enterprises.

## Goals:

- Promoting the social economy in Berlin by facilitating access to financing
- Integration of social entrepreneurs into classical financing structures (banks)
- Future viability of a social, inclusive and ecologically sustainable business location

## For whom?

- Small and medium-sized enterprises
- Start-ups with social impact
- Founders, self-employed entrepreneurs and members of liberal professions with social impact orientation
- Non-profit legal forms (e.g. gGmbH, e.V.)

## Funding purposes:

- Financing of working capital, machinery, production lines, vehicle fleet, etc.
- Foundations/ Start-ups
- Business acquisitions
- Modernisation, expansion and replacement investments
- Expansion into new markets

Reconstruction and restructuring financing are excluded.

## Your way to BBBsocial

## About BürgschaftsBank Berlin

BürgschaftsBank Berlin (BBB) has established itself as a permanent institution for the support of small and medium-sized companies in Berlin that promote sustainable economic success. Our vision is to ensure that a profitable venture, driven by a compelling entrepreneurial personality, does not fail due to a lack of financial collateral. For more than 60 years the BBB has been providing guarantees for business start-ups, takeovers, investments and working capital loans.
